Audio Visual Maintenance Contract

Companies or individuals may form agreements with audio-visual providers for the permanent purchase and installation, temporary rental and operation or maintenance of audio-visual equipment. Written agreements are important because they spell out the duties and responsibilities of both parties as well as the consequences of failing to meet those responsibilities.

How to Write an Audio Visual Service Agreement | Legal Beagle

Audio visual service and maintenance contracts. Reputation is something we have built at Visavvi. Being a leader in the AV industry with a ISO accredited team means always being on the forefront with setting standards, rather than following them. That's certainly true with our flexible audio visual maintenance and service contracts, which we provide with consistent quality and exceptional efficiency.

Audio Visual Maintenance and Service Contracts | Visavvi

Maintenance Agreement A more traditional approach to audio visual support is a maintenance agreement. Unlike remote system monitoring, maintenance agreements do not allow the support company to connect directly to the network. Instead, you purchase the services of an audio visual company to service the system as-needed on an annual basis.
