### Confrontational Ceramics

Confrontational Ceramics surveys the work of contemporary sculptors, potters, and mixed media artists who have turned the ancient medium of clay into an articulate vehicle for political and social commentary. Educator and curator Judith S. Schwartz gathers the works of more than two hundred artists from thirty different countries into a glossy full-color overview of the radical ceramics scene.

### Confrontational Ceramics Book by Judith S. Schwartz

Confrontational Ceramics takes an unexpected and creative stands by various artists to political and social predicaments. I don't believe that these art works are meant to be cute. They are unique in using ceramic art to express a point of view. It's a rather large book and the illustrations are first class.
