Review: Crisis, Issues and Reputation Management. 11 Feb. The CIPR defines public relations as being 'about reputation – the result of what you do, what you say, and what others say about you.'. So it's surprising that the very first book in the 15-strong CIPR/Kogan Page PR in Practice series to even mention reputation in its title was published only last year.

Review: Crisis, Issues and Reputation Management | PR Studies

Corporate reputation is a company's most valuable intangible asset. Effective communication management can help a company overcome a crisis more quickly and with fewer negative consequences in terms of market capitalization, talent retention, and consumer preference. Crises are no longer atypical; they are structural.
