Self-esteem is like an emotional immune system that buffers you from emotional pain and strengthens your emotional resilience. As such, it is very important to monitor it and avoid putting yourself down, particularly when you are already hurting. One way to “heal” damaged self-esteem is to practice self-compassion.

7 ways to practice emotional first aid - TED

We'll go to the doctor when we feel flu-ish or a nagging pain. So why don't we see a health professional when we feel emotional pain: guilt, loss, loneliness? Too many of us deal with common psychological-health issues on our own, says Guy Winch. But we don't have to. He makes a compelling case to practice emotional hygiene — taking care of our emotions, our minds, with the same diligence we ...
