Harley released the Topper, a rebadged DKW, in 1958 and sold it until around 1965. It was powered by a 165cc, air-cooled, two-stroke single that ran on premix and was started with a ripcord like a...

The Coolest Small-Displacement Bikes Harley Ever Made

Power is provided by same DKW RT 125 inspired 165 cc, single-cylinder two-stroke 9 hp engine used on the HD Hummer. The engine kicks over with a lawnmower-style rope-recoil pull starter, and is mated to the HD-branded "Scootaway" CV transmission. This scooter is a rarely seen alternative to the more common vintage Vespas and Cushman's.

American Scoot: 1960 Harley-Davidson Topper | Bring a Traller

It's the only scooter to ever wear the Harley-Davidson badge. As classic scooters go, it looks pretty good, if you're into that sort of thing. The two-stroke, single-cylinder engine was likely enough to keep up with the Vespas and Lambrettas of the day. The Topper's engine utilized a pull-start and had no external cooling.
