James Madison University - A look toward the future

James Madison's efforts in Philadelphia during the summer of 1787 earned him the reputation of being the "father of the Constitution." The time is ripe for Madison to take his place alongside John Adams and Thomas Jefferson as a thinker for the ages. This book looks at the ways in which Madison's ideas might instruct and inform our era.

James Madison and the Future of Limited Government - Kindle edition by Samples, John. Download it once and read it on your Kindle device, PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading James Madison and the Future of Limited Government.

James Madison and the Future of Limited Government ...

James Madison advanced the cause of liberty before, during, and after the Constitutional Convention of 1789. His constitutional vision of limited government has enabled Americans to enjoy liberty and its material and spiritual rewards. As we begin what may be the next American century, the 250th anniversary of Madison's birth offers a chance to reflect on the future of his legacy. The essays in this volume, first presented at a conference at the Cato Institute in March 2001, explore the ...

James Madison and the Future of Limited Government, 2002 ...

Madison believed Christianity to be the foundation upon which a just government must be built. Writing on June 20, 1785, he stated: Religion [is] the basis and Foundation of Government. Madison expounds further: We have staked the whole future of American civilization, not upon the power of government, far from it.
