Everything is wrapped up in Song Saa's gentle eco-social approach. It is done very subtly but with true meaning, because Song Saa is as far from cookie-cutter as imaginable. For example, while a visiting yoga teacher might be in residence for certain periods of the year, most spa therapists live in the adjacent fishing village where Song Saa's owners have also sponsored a school and a clinic.

Spa Songs is a musical performance composed and choreographed by artist, Fay Zmija Nicolson. Working only with voices, the musical element of this work draws from harmonic relationships found in Early Music, along-side the DIY and anti-establishment energy of folk and punk traditions. Nicolson composed this song cycle as an intuitive response ...
