I recently bought a Utilitech Daylight saving in-wall timer from Lowes. I brought it home and installed as I was going on vacation and wanted my lights to turn off in the day and on at night. The instructions were horrible, but seemed like I got through OK. However, I couldn't get the timer to go on in the night and off in the day.

In-Wall Digital Timer (TM-097) - How to set up the ...

This is a three way switch (two different locations that control on/off). This is an indoor switch location that controls my outdoor entry lights. The timer I have is a Utilitech #0192773. Do I have to close off one of the switches to make this work (how would I do this). I can get power to the timer switch, but it won't control the lights?

I'm trying to install a timer into a three way switch ...
